

Signers of resolutions for local authority and/or state legislation for smokefree air

This chart lists governments, organizations, businesses, and other entities that have signed resolutions and specifies which resolution(s) they signed.

loc. auth. = a resolution supporting local authority to enact controls on tobacco use
state + loc. auth. = a resolution supporting statewide smokefree air legislation provided the legislation also preserves local authority to enact stronger legislation
state (specific bill) = most of these resolutions support specific proposed statewide smokefree air legislation (bills); some of these bills are no longer current

This information is compiled and published by New Jersey GASP, the Group Against Smoking Pollution, 105 Mountain Ave., Summit, NJ, 908 273-9368. For more information on this Local Authority Resolution Project see www.njgasp.org.

Summary by population and signing entities -- Thursday, November 17, 2005

Municipal governing bodies or municipal boards of health, or both, in 177 municipalities, representing one third of the state's population (2.8 million New Jerseyans), have signed resolutions.
County boards of chosen freeholders in 3 counties, representing 800 thousand New Jersey citizens, have signed resolutions.

Resolutions have been signed by:
125 municipal governing bodies
84 municipal boards of health
3 county boards of chosen freeholders
1 state legislator
5 associations of government professionals
111 organizations
15 businesses
13 other entities

Totals:
212 municipal and county governing entities signed resolutions
357 entities signed resolutions
441 resolutions were signed (some entities signed more than one resolution)
